Household Checks - Log Sheet

Codes tell official first responders which households to attend to first. Doors can be marked with grease pencil or another method of marking.

NAME OF VOLUNTEER(S):	
CODE	**Household check: occupant status**
1	Professional rescue needed ASAP
2	Unknown: no response at address OR unsafe to approach property
3	All occupants accounted for
4	Evacuating outside neighbourhood (record destination address / phone number)

CODE	Date/Time	Address	Occupant Name(s)	Status: (some neighbours may not wish to share personal details)
