Offers Worksheet

Please post anything that you have, can do, or can offer to others, that you think may be helpful to others, as well as your contact information. If you need what is posted, contact that person directly or leave your name and contact information.

I Can Offer		I Need		
Items, service, or help offered	Name, address, and phone number	Name	I will contact person directly	The person can contact me here (leave address or phone number)
