

Strathcona Connected Coast Network Corporation Board of Director Opportunity

The Strathcona Connected Coast Network Corporation (SCCNC) was incorporated to own, manage and operate a regional broadband infrastructure on Vancouver Island and is a wholly owned subsidiary of the Strathcona Regional District (SRD).

The SRD is recruiting four individuals to participate on the SCCNC Board of Directors. Ideal candidates will have board governance skills and/or telecommunications industry experience. The role of a director is to advise on the overall strategic direction of the organization and foster long-term success of the SCCNC.

Individuals who have a strong interest and commitment in advancing access to reliable and affordable broadband are encouraged to apply by March 24, 2021 at 4:00 pm.
