

## Site Declaration

Section 40.1 of the *Environmental Management Act*, requires a site profile to be completed with an application when the applicant knows, or reasonably should know, that a site has been used or is being used for commercial or industrial purposes. If any activities found in Schedule 2 of the Contaminated Sites Regulation apply to your property, you are required to complete a site profile. A copy of Schedule 2 activities is available at the front counter.

If any of the listed activities does not apply, simply complete the following declaration:
