**Northern Electoral Area D Water Local Service Area
Universal Water Metering**

Addendum #1

This Addendum contains:

- A change to the closing Date
- One Question & Answer

TENDER CLOSING DATE

The Closing date is extended to: November 1, 2024

The closing time (2:00 pm) and location (Strathcona Regional District office) remain the same.

QUESTION #1

Question:

It looks like we are to submit a proposed schedule with our tender – is there a specific date that the SRD wants this complete by?

Answer:

It is the hope of the SRD that all water meters would be installed within 12 months of contract award. Based on an anticipated contract award date of the beginning of December 2024, it is hoped that all meters would be installed by December 2025.
