REQUEST FOR PROPOSALS

RFP 06-26

**Pre-Construction Management Services
Surge Narrows Revitalization Project**

Issued May 11, 2026

The Strathcona Regional District (SRD) wishes to issue the following addendum to its Request for Proposals – RFP 06-26 “Pre-Construction Management Services Surge Narrows Revitalization Project” in response to proponent questions:

Question: Could we please confirm whether the professional liability insurance (E&O) is to be carried directly by the Construction Manager, or if the Construction Manager may instead obtain a certificate of insurance from a qualified design professional or subcontracted design consultant providing the applicable design services?

Response: The professional liability insurance (E&O) must be held by the Construction Manager directly, as it pertains to the services the Construction Manager is providing.
