ELECTOR RESPONSE FORM **Bylaw No. 429 (Broadband Infrastructure Loan Authorization Amendment)**

The Board of directors for the Strathcona Regional District is seeking the approval of the electors by alternative approval process for Bylaw No. 429, being Regional Broadband Infrastructure Loan Authorization Bylaw 2018, Amendment No.1. If adopted, Bylaw No. 429 would authorize the Regional District to increase its borrowing authority from \$6 million to \$18 million to fund broadband infrastructure in the region.

Capital funds borrowed under the authority of Bylaw No. 429 would be available for financing the construction of broadband infrastructure, including 'last-mile' infrastructure to serve homes, businesses and other organizations within the Gold River, Quadra Island, Sayward and Tahsis areas. The Regional District has entered into an agreement with City West Cable and Telephone Corporation which would construct and operate the 'last mile' infrastructure using capital financing provided by the Regional District. City West would reimburse the Regional District for all costs of borrowing (including principal and interest payments) over a period not to exceed 25 years.
